Received today HRH invitation, which is planned for the 9 June 1991. Thank His Royal Highness very much.

In this serious political situation, Togo has on the Programm the National Conference the 10 June, where we Ambassadors are invited. Due to this circumstances, I ask for excusing myself for not being able to attend at His Royal Highness invitation.

We are praying very much, that the democratisation of Africa can proceed without bloodshed and violence, since too much innocent lives have been lost already.

May the Lord be with His Royal Highness meeting to inspire you all to be Citizens of God's Kingdom.
