To His Royal and Imp. Highness
Prince Dom. Antonio F. CALABRIA
Prince of Swabia

Excellence, Royal Highness, brother in Christus,

With thanks I have received the Honors bestowed to the President of the Rep. of Ivory Coast and Togo as well as for the King Mlapa.

I have meet with the Royal Highness the King Mlapa and showed His Highness the Honor bestowed on Him by your Highness. The King was very impressed and is now arranging a date for official transmission of the Diploma.

It is at the moment not easy, since we are in the state of an Civil war in this country, among others, the road and telephone lines to the town of the King are not functioning at present. But as soon there is some way to do the ceremony, we shall proceed.

For the President of Togo, - have submitted a copy of the Diploma to the Presidents office and are waiting now for reply. There as well, it will be not easy, because of the unrest in the country. Ivory coast is better. Still I wait for reply from there.

We pray, that the war does not turn in to a second Liberia and that peace centered on GOD may be coming to all Nations of the world.

I wish to thank His Highness for the grace and love you are providing for our African Continent in the spirit of Christ.

Yours, for a better, ideal world under God
